## **VOLUME 1 : THE BRAT AWAKENS**

*18-year-old Arya Sharma is having the worst week of her life. She failed her 12th exams, got roasted by her family, ran away from home...and accidentally enrolled herself in a secret superhero academy.*

*No, seriously. She just wanted to escape embarrassment, not unlock ancient prophecies.*

*Now she's stuck in the Himalayas with shaved-head monks, creepy pigeons, mysterious fires, weird rules, and powers she absolutely did NOT apply for.*

*And to make things worse — the Eternal Flame of Shakti chose **HER**.  
A girl whose only fighting experience is arguing with her sisters.*

*But why it chose her? And what exactly is this Eternal Flame? No one has an answer. Well, not just yet!*

*Destiny clearly has a sense of humour. Because every time Arya tries to run from trouble... she runs straight into a supervillain instead.*

*Packed with **action, comedy, martial arts, cosmic secrets, and one very confused teenager**, Yoddha Girl – Vol. 1: The Brat Awakens kicks off the rise of India's most unlikely superhero.*

**Welcome to the chaos. Welcome to VMU's first comic. Welcome to Yoddha Girl.**

# INTRODUCTION

# YODDHA GIRL

## VOLUME 1 : THE BRAT AWAKENS

*18-year-old Arya Sharma has failed her 12th exams, fought with her family, and run away from Bengaluru on the next train out.*

*What she doesn't know is that her "gap-year meltdown" is about to dump her straight into a secret Himalayan superhero academy where gods still whisper, monks levitate, and destiny has the world's worst sense of humour.*

*Chosen by the Eternal Flame of Shakti to join the Immortal Yoddha Program, Arya must train to master five elements, battle cosmic monsters, and horror of horrors—give up junk food, Wi-Fi, and dating forever.*

*But rules were made to be broken, and this brat's about to rewrite them in fire.*

*More importantly, why did the flame choose her? And what exactly is this Eternal Flame? No one has an answer. Well, not just yet!*

***Funny, fast, and fiercely original, Yoddha Girl – The Brat Awakens launches India's first myth-meets-modern superhero saga for a new generation of readers.***

***The VMU Superhero Universe invites you to dive into Arya's world—where ancient power meets teenage rebellion, and destiny has never looked this chaotic.***

***Welcome to the rise of Yoddha Girl.***

# AUTHOR'S NOTE

*This is the first comic book I've ever written, and honestly...  
I blame my superhero character Arya Sharma for dragging me into this madness.*

*When I first created her in The Last Avatar (Age of Kalki trilogy), she was supposed to be a mysterious immortal warrior.  
But then she opened her mouth, cracked a joke, broke a rule, and I realized—Oh no... this girl needs her own series.*

*She's lazy, sarcastic, panics at pigeons, flunks exams, fights with her family, runs away from home...and somehow ends up chosen by the Eternal Flame of Shakti.  
If destiny had a sense of humour, it would look exactly like Arya.*

*Writing Volume 1 was pure chaos:  
Every time I tried to make her behave, she rebelled.  
Every time I tried to give her a serious moment, she made it funny.  
Every time I tried to make the monks look wise, she roasted them.  
And at this point, I've accepted that I'm not writing Arya...  
Arya is writing herself.*

*This book is my childhood dream come true— my first comic, the first VMU comic, and the first step into a massive superhero universe we're building.  
If you're holding this book, thank you. You're part of that dream.*

*Get ready for action, comedy, martial arts, cosmic madness, secret societies, ancient prophecies... and one girl who just wants to run away from her embarrassing life but somehow keeps running straight into destiny.*

*But most importantly, why does the Eternal Flame choose Arya? And what exactly is this Eternal Flame? No one knows the answer. Well, not just yet. We all have to go on this journey to find the answers.*
